WHERE NEXT?

The French Alps

Let the fun begin before you hit the slopes

Mr. Smith,

Whether you're looking forward to miles of pristine piste or hours of après-ski glitz, the French Alps are the coolest place to hit the slopes this winter. And by taking Eurostar's overnight ski train each way you can fit in two whole extra days of skiing. So get a bunch of friends together and enjoy the easiest, most relaxing way to the heart of the Alps, enjoying a drink and a little pre-ski bonhomie along the way.
